

Royal Heir (Westerly Billionaire, #3) Ruth Cardello, the New York Times and USA Today bestselling author of *Up for Heir*, turns a fairy-tale romance into a sizzling bedtime story. Rachele Westerly needs a break. After years of acting as the family peacekeeper, she's finally ready to take a step back. Her movie-star brother has offered her the perfect escape. But on the very first day of her vacation, she steps onto a red carpet and straight into the arms of a real-life prince and the promise of just the kind of flash and fortune that tore her own family apart. As the soon-to-be leader of Vandorra, Prince Magnus de Bartelebon always gets what he wants and the regal bad boy wants the sweet American schoolteacher. Although he should be announcing his engagement of convenience to a neighboring princess, Rachele is the one he desires in his bed and by his side. While the drop-dead gorgeous Magnus might be almost everything she craves, Rachele can't help but think that falling for him would be a royal mistake. He may be ruling a kingdom one day, but she's in charge of her heart. And he'll have to win it with more than a lap of luxury as inviting as it is. ...more **Royal Heir (Westerly Billionaire, #3)** PDF ebook
